NAWG
NATURAL ANALOGUE
WORKING GROUP

Thanks

- **Many, many thanks to UJV and to SURAO for all their support and help in hosting NAWG-15**
- **Thanks also to all the presenters and sessions chairs, much appreciated**
- **Very special thanks to Venda and Radek for all their hard work over the last two years - especially their diligence in hunting out the best bars, restaurants and pool halls in Prague!**

Reminder

- **SURAO have kindly offered to publish the workshop proceedings in their technical report series**
- **Would all authors please send me their extended abstracts (**max 4 pages**) by Friday, **15th June**?**
- **We have copies of all the presentations, we would like to put them on the NAWG web site as pdf – would anyone **NOT** be happy with this?**

Remainder
