

NAWG-17 Workshop
11th May, 2023, Hotel Kolovare, Zadar,
Croatia

Professor Želimir Veinović, PhD
Faculty of Mining, Geology and
Petroleum Engineering
University of Zagreb

Welcome to Zadar, Croatia!

Ladies and gentlemen, dear colleagues, I welcome you to NAWG-17 Workshop and to the city of Zadar

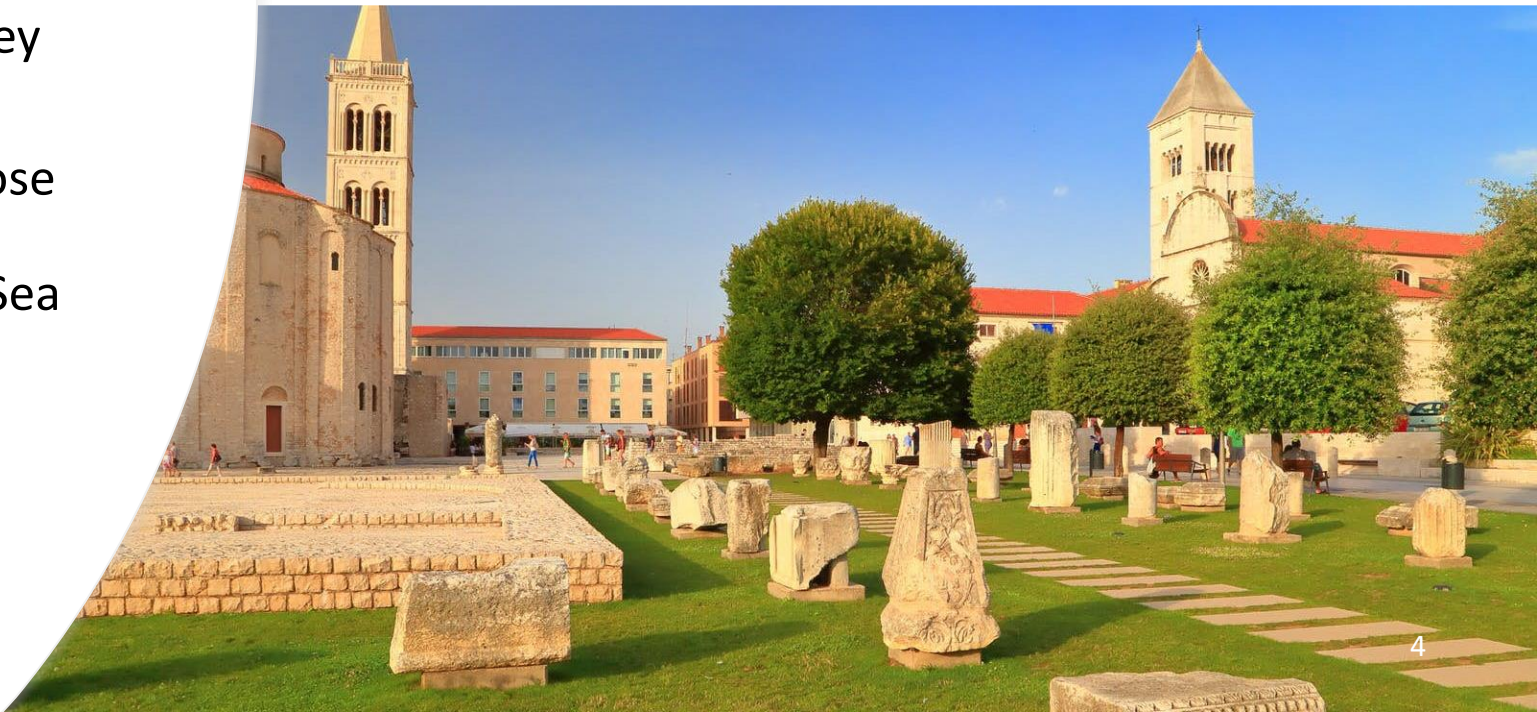

Alfred Hitchcock said: „Zadar has the most beautiful sunset in the world, more beautiful than the one in Key West, in Florida, applauded at every evening”

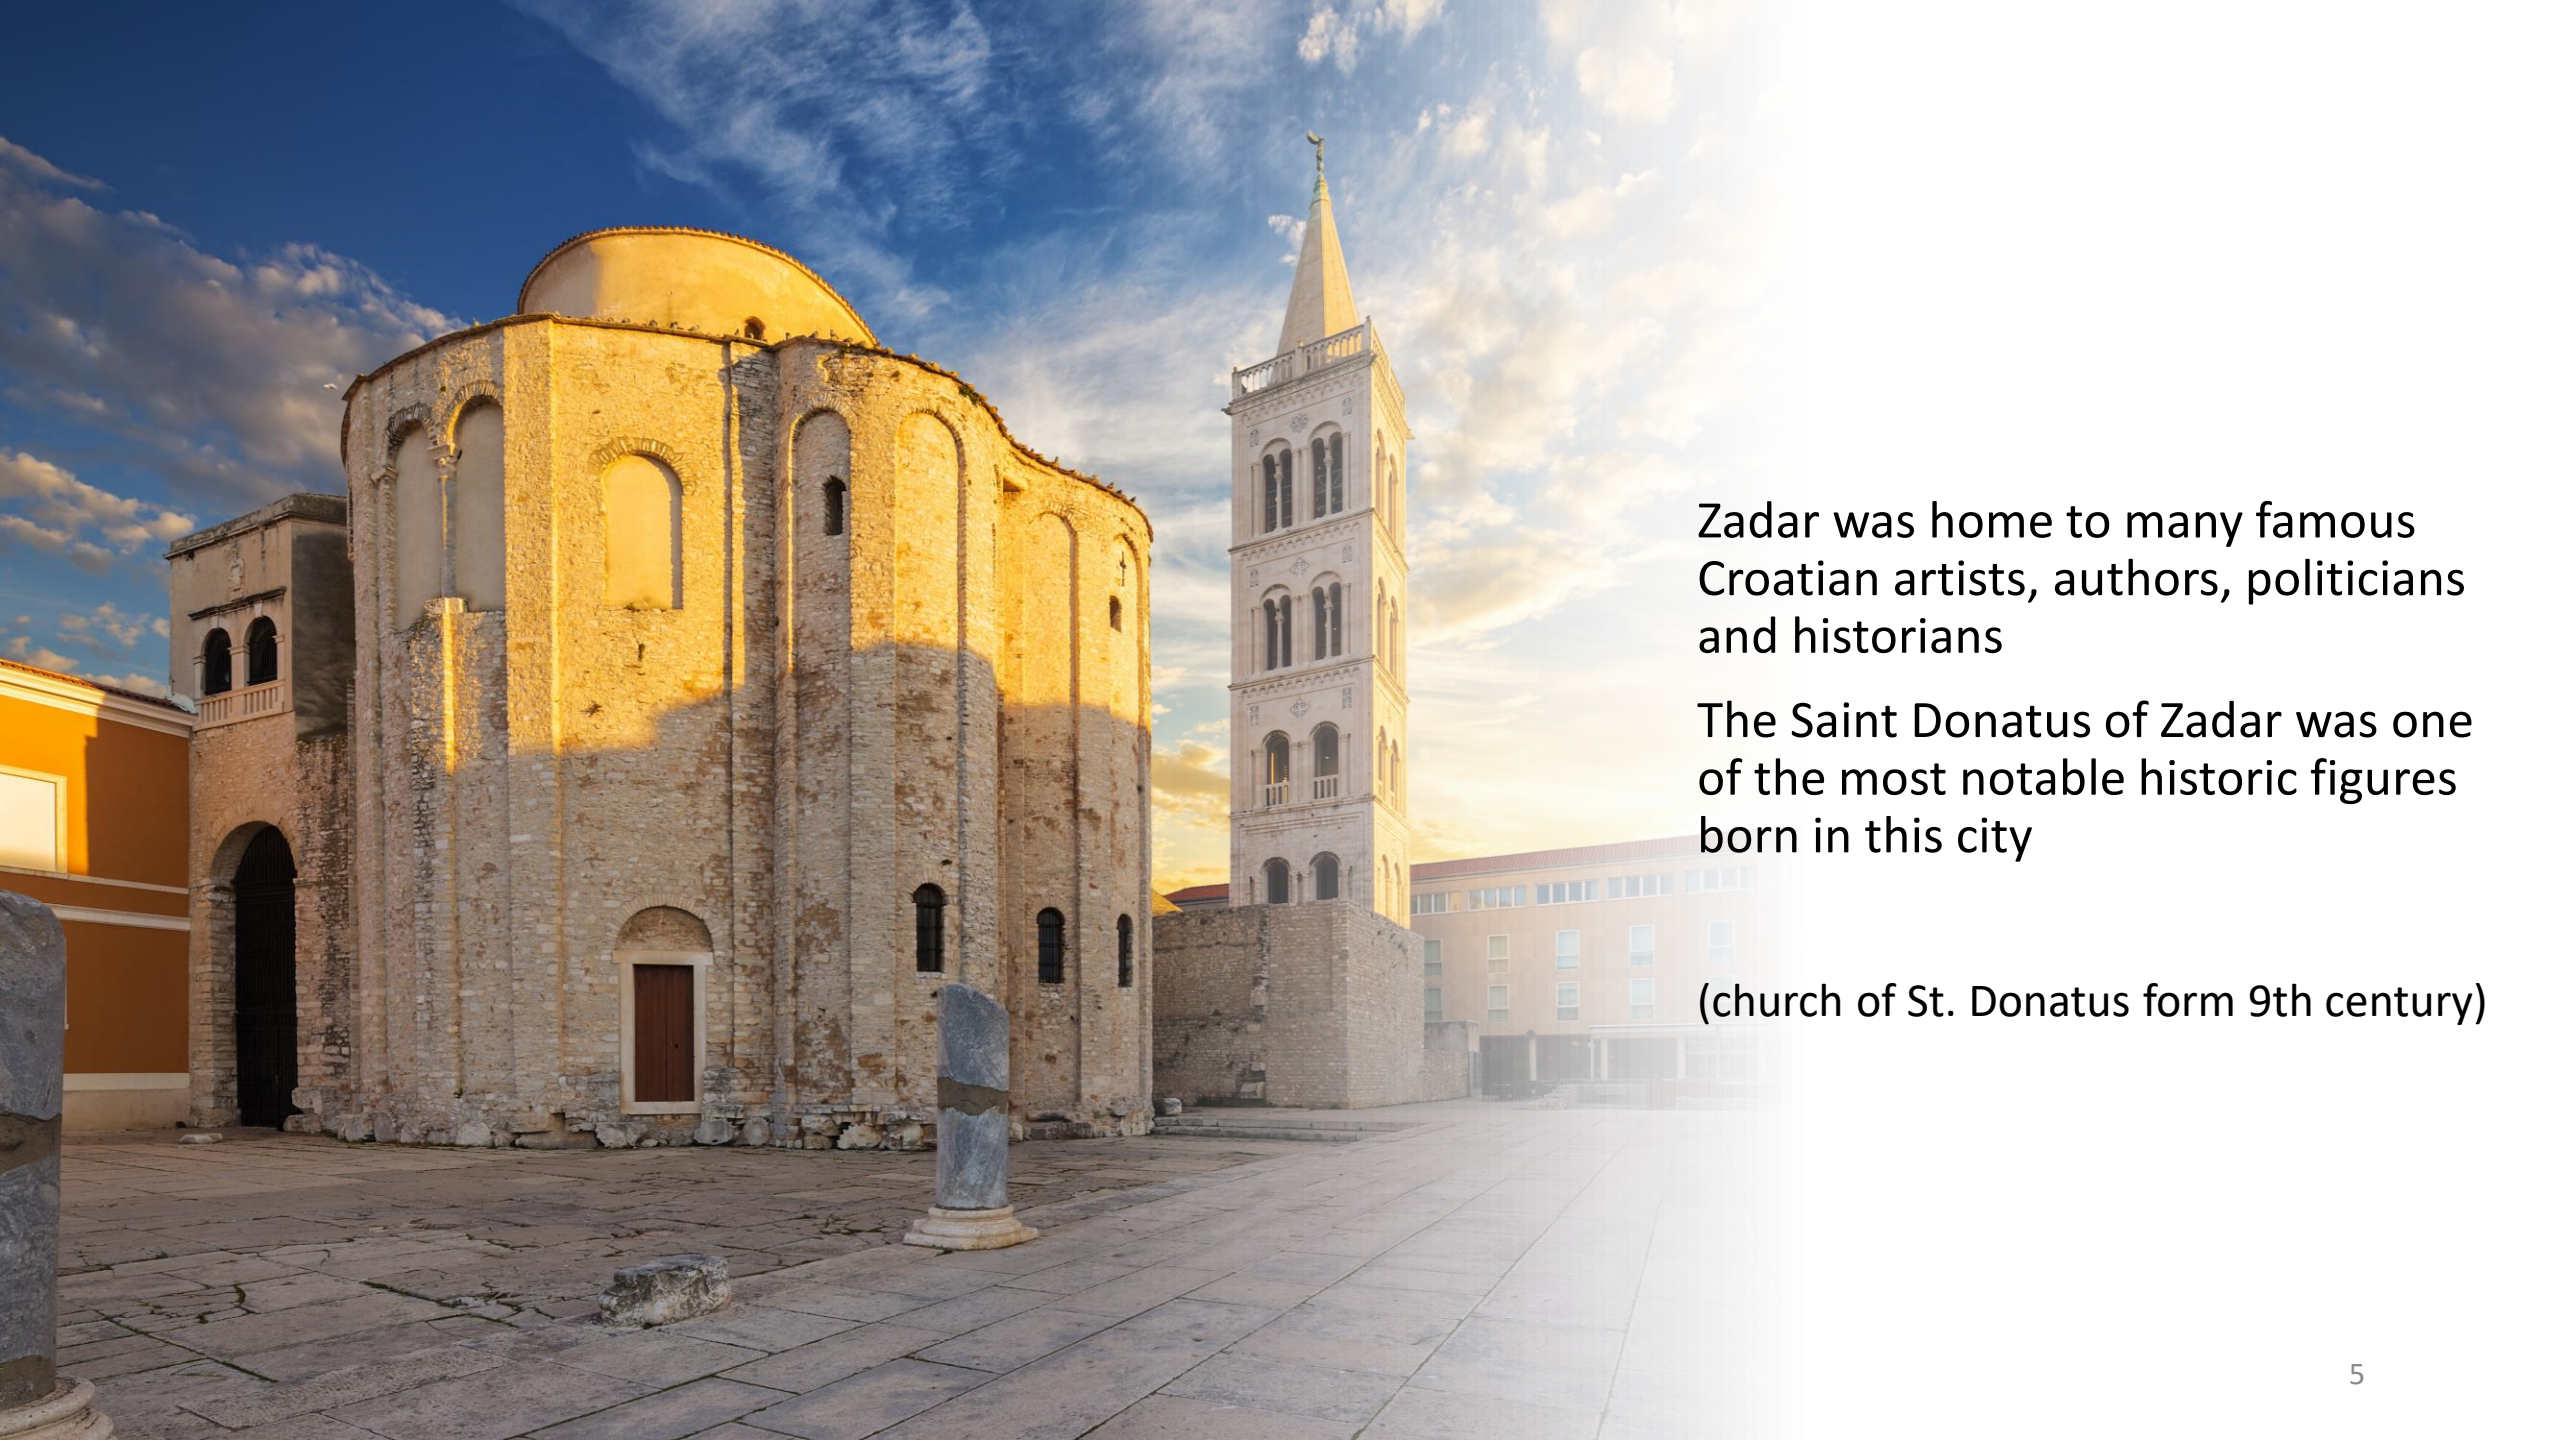

Zadar is the oldest continuously inhabited city in Croatia

The local naval force took part in the Roman civil war between Julius Caesar and Pompey in 49 BC, supporting Caesar

One of the oldest remains in Zadar are those of Roman forum, the largest Roman forum on the eastern side of the Adriatic Sea

Zadar was home to many famous Croatian artists, authors, politicians and historians

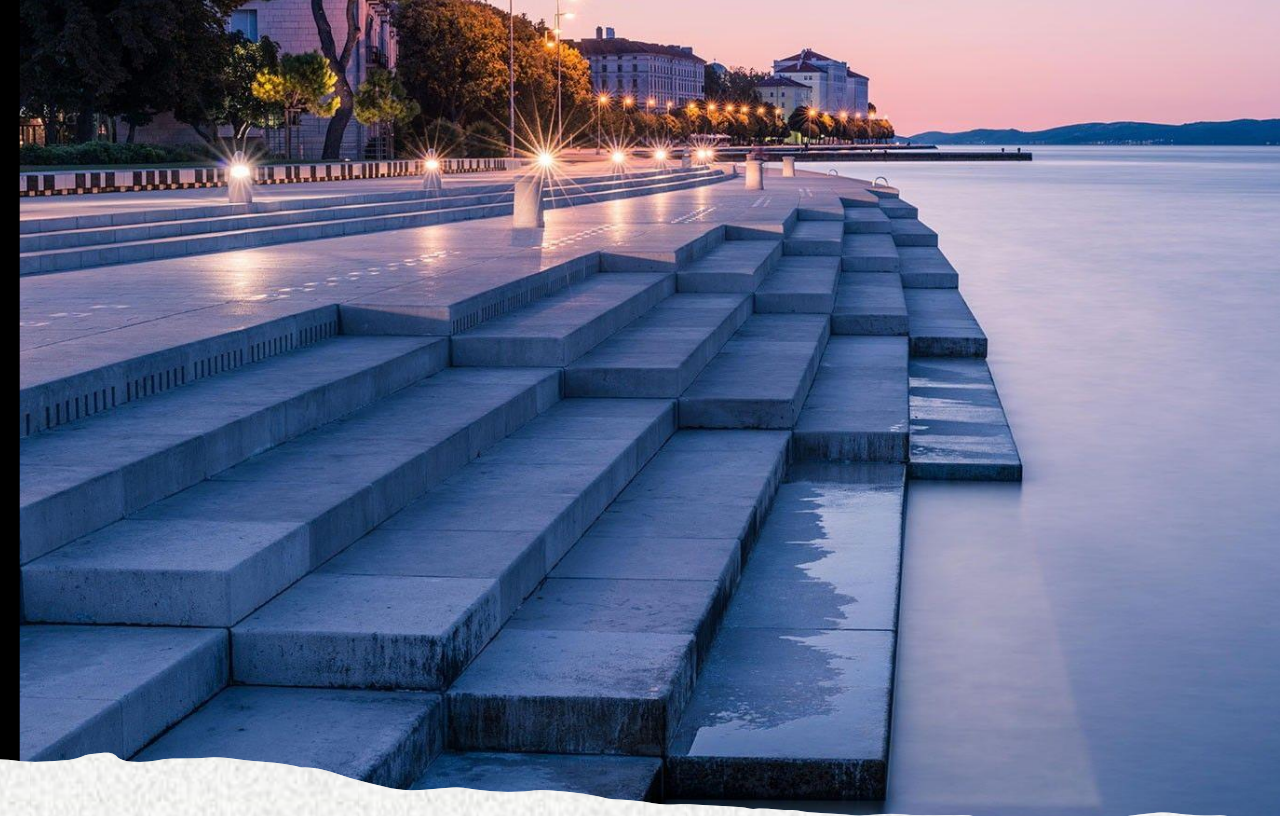

The Saint Donatus of Zadar was one of the most notable historic figures born in this city

(church of St. Donatus form 9th century)

The University of Zadar can trace its lineage to 1396, thus making it the oldest tertiary institution in Croatia and one of the oldest in Europe

Apart from many historical places, "The Greeting To The Sun" and "Sea organ,, are two famous art installations worth visiting

CROATIAN RAD WASTE
AND SPENT FUEL
MANAGEMENT
PROGRAM

WASTE INVENTORY

- Institutional waste from more than 60 years of implementation and research of radioactive materials
- Half of rad waste and SNF from joint venture NPP Krško (Slovenia and Croatia)
- Several locations of NORM residues

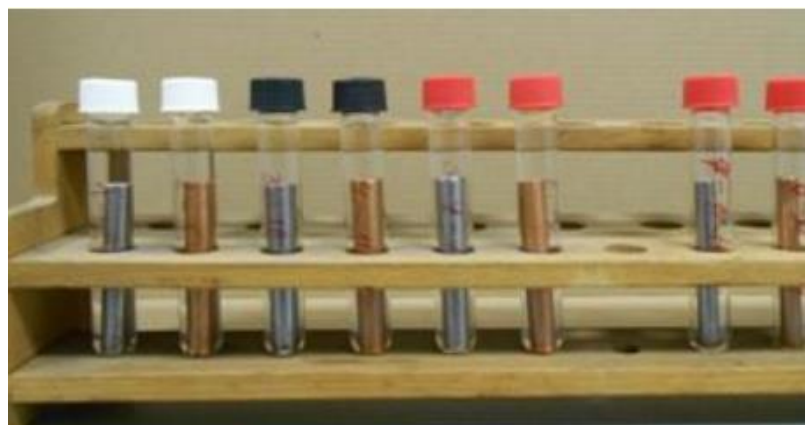

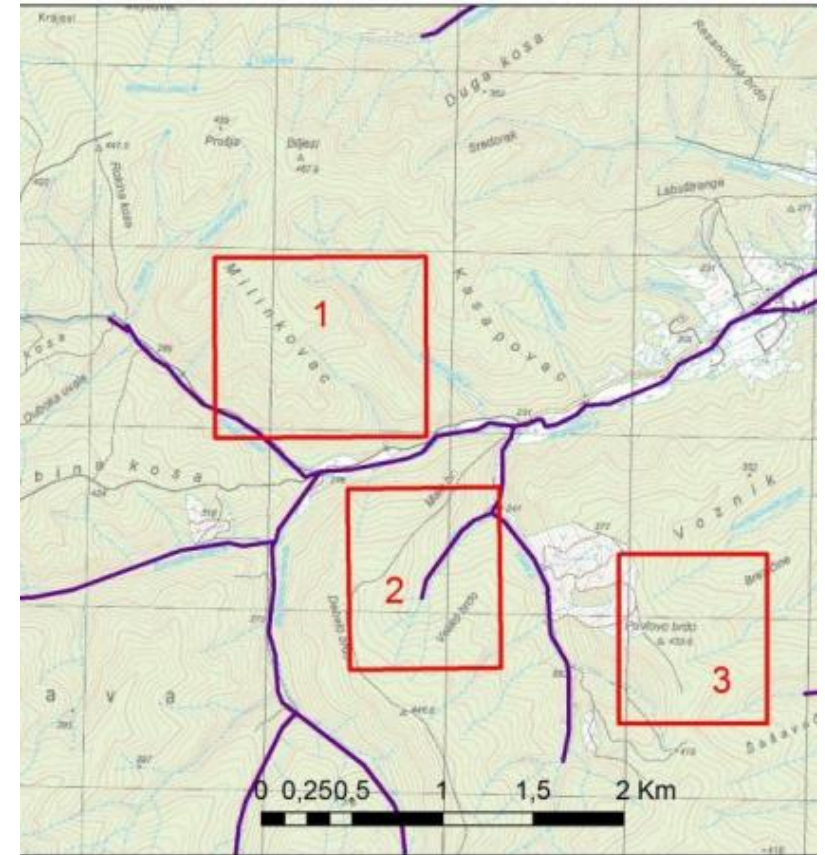

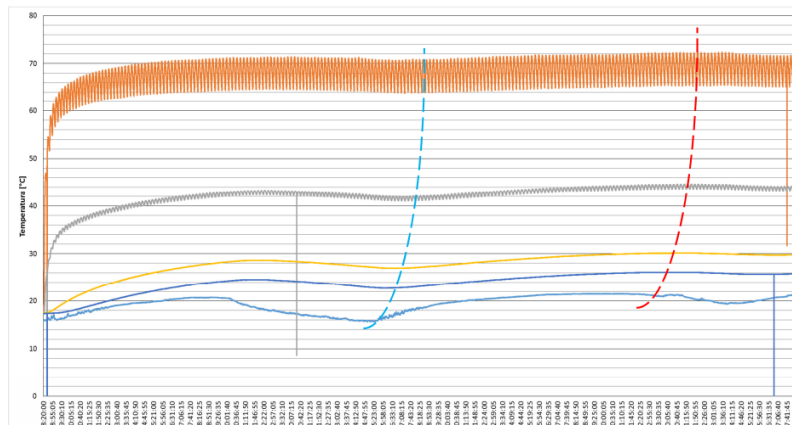

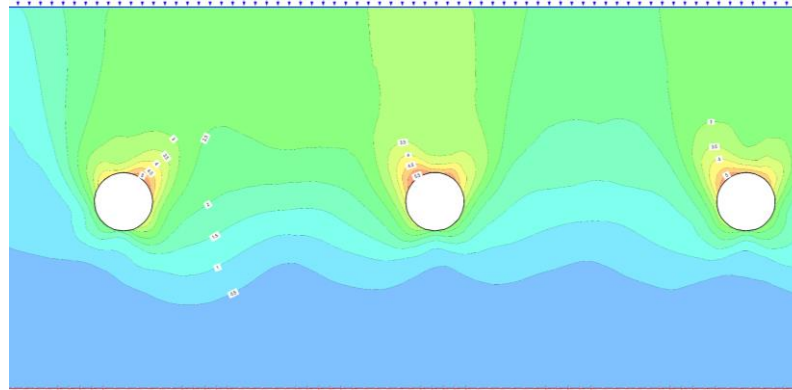

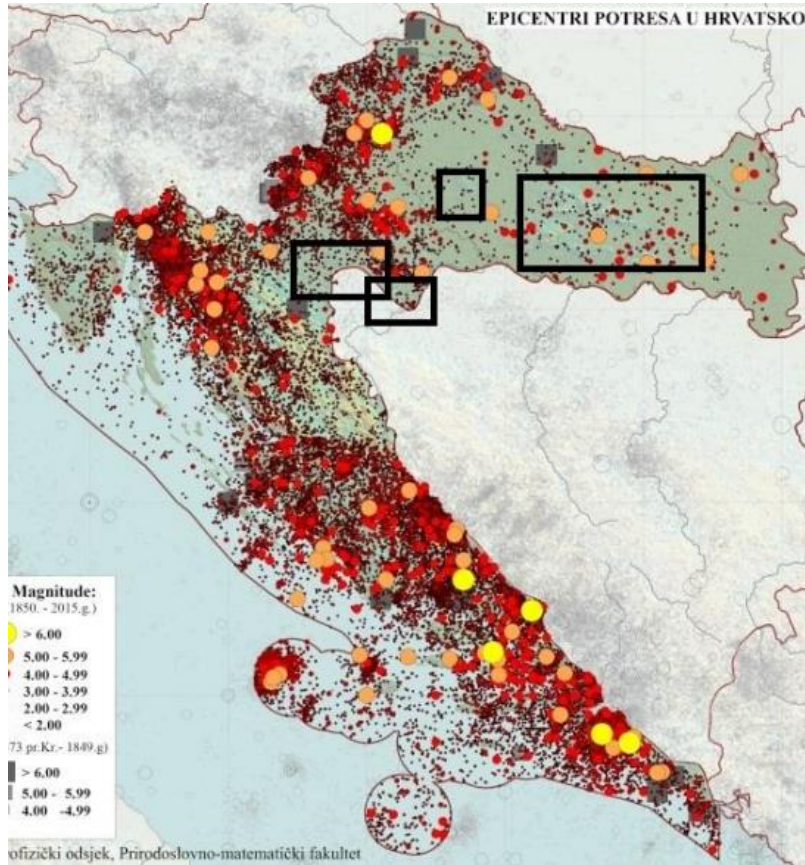

Education of
specialists at the
Faculty of Mining,
Geology and
Petroleum

- Lectures:
 - Graduate study of Mining
 - Radioactive waste management
 - Postgraduate doctoral study "Applied Geosciences, Mining and Petroleum Engineering,,
 - Design and the construction of underground repositories
 - Management and the disposal of NORM residues and LILW

University of Zagreb
**FACULTY OF MINING,
GEOLOGY AND PETROLEUM
ENGINEERING**

STUDENT RESEARCH

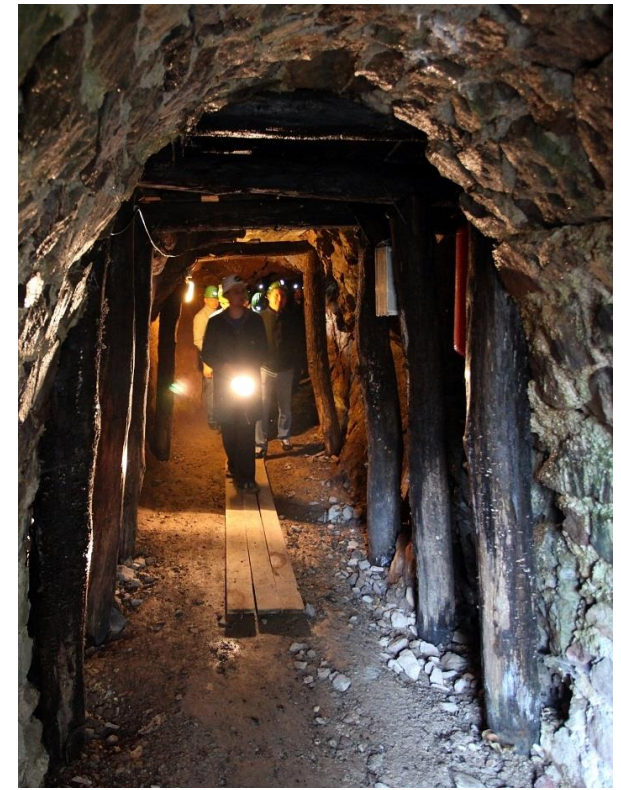

Awards on International Exhibitions of Inventions

- PhD student Galla Uroić
- 6 gold medals, 6 silver medals and 2 bronze medals

15 YEARS OF
 POPULARIZATION OF
 SCIENCE AND
 STAKEHOLDER
 INVOLVEMENT

UNDERGROUND RESEARCH LABORATORY

St. Barbara Mine, Rude

HISTORY AND CURRENT STATE OF THE CROATIAN NATIONAL PROGRAM

Will be presented in detail by
Galla Uroić, mag.ing.min.

Thank you for attending
the workshop and enjoy
your stay in Zadar!
